The new residential project by the architect Mario Cucinella is born in Monza, Giardino Reale. The intervention, which is developed in the abandoned area of the Ex Feltrificio Scotti, constitutes a strategic step in the transformation and environmental, urban planning and building redevelopment in the municipality of Monza. The project is located in an area that is the historical and landscape memory of the city. Energy sustainability, creative empathy, bioclimatic design are just some of the supporting factors of the intervention.

We offer for sale a four-room apartment located on the ground floor, as follows: entrance, living room with open kitchen, double bedroom, two single bedrooms, two bathrooms. The property also enjoys the presence of an outdoor paved area and a garden for exclusive use. Concierge service. In the basement, in addition to garages and cellars, the solution is completed by a SPA and a gym designed for the exclusive use of the residents of the residential complex.
