It was Living in Biassono

Living in the harmony of your family nest

Born in Biassono, Era Living, the new residential project marketed exclusively by Sogim, a few steps from the historic Monza Park in line with the highest standards of innovation, design and sustainability.

The building is spread over 3 floors above ground and a ground floor for a total of 8 apartments. In the basement there are a total of 8 double garages and as many cellars. The apartments on the ground floor will have a private garden incorporated into the property, while the apartments on the first to third floors will have large loggia terraces.

The new building was born with the idea of a living room immersed in the nature of the Park but also in a strategic position to enjoy the main services offered by the cities of Biassono, Veduggio al Lambro and Monza.

On the first floor we offer a four-room apartment as follows: entrance, living room, kitchen, double bedroom, two single bedrooms, three bathrooms. The solution is completed by the presence of the loggia terrace.
