Apartment for sale COMO- VIA SILVIO PELLICO

Newly built four-bedroom apartment with garden and parking space, Como Tavernola area - ground floor

For sale newly built four-bedroom apartment with garden and parking space, ground floor. In the Tavernola area of Como, a few kilometers from both Cernobbio and Como, in a strategic position with the main communication routes and essential services.

The apartment consists of an entrance which leads to the living area with a large living room and open kitchen overlooking the garden and the first bathroom with window and shower. From the entrance of the house you continue towards the sleeping area consisting of 4 large bedrooms with access to the external space of the property and the bathroom with window and shower.

The solution, under construction, is designed to achieve high energy performance, guaranteeing minimum consumption and significant economic savings and is inserted in a context that embodies modernity and comfort, with clean lines with a contemporary taste.

The value of the project can be appreciated even more as the provision of home automation electrical systems, high quality stoneware flooring and coverings, triple glazed aluminum windows and supplies from the best Italian brands are envisaged, with particular attention to the details of the parts common.

The solution is completed by two private parking spaces.

Condominium expenses are kept to a minimum.

The delivery date is scheduled for spring 2025.
