We offer for sale in the Municipality of Cinisello Balsamo an industrial sector which extends over a total area of approx. 26,000 in the immediate vicinity (500 m.) of the main road arteries: A4 motorway - Northern ring road. The production sector is spread over several buildings with variable heights and different shapes. Large yards, loading bays, car parks and office buildings. The industrial building has a total surface area of approx. 12,800 m2. while the two office buildings have a total surface area of approx. 3,800 m2. On the front there is a large parking area. The entire industrial building is totally independent and has large maneuvering areas for heavy goods. Since a good part of the building has been disused for a long time, it is necessary to carry out a major redevelopment project on most of it. A part of the shed instead of approx. 2,800 m2.
