Morosini 28: the new dimension of Milanese elegance  
Newly built penthouse fifth floor 203 sqm - Porta Romana area

Morosini 28 is a residential project that redefines contemporary living through a perfect balance between style, comfort and functionality. Located between Porta Romana and Porta Vittoria, two of the most dynamic and elegant areas of Milan, it offers an exclusive living experience, where tradition and modernity meet harmoniously. The architecture is inspired by the refined forms of historic Milanese buildings, reinterpreting them with light lines and balanced proportions. Each design choice is guided by the search for quality and prestige, to create welcoming and distinctive environments. The apartments are designed to enhance light, space and well-being, with refined finishes, large windows and livable outdoor spaces such as terraces and loggias. Every detail is designed to offer an exclusive home, where elegance combines with maximum comfort.
