LAST THREE ROOMS WITH TERRACE AND DOUBLE BATHROOMS!

Residenza Regina Margherita is the new prestigious project that will be born in Macherio, in the heart of Brianza, where apartments will be built with very high-level finishes and with a total absence of gas.

It is a project that re-defines the standards under construction in Macherio, located in a strategic and well-served area, which allows you to have all the essential services available without giving up greenery and tranquility.

The entire building will be arranged on three levels, within which 7 residential units will be created

They will stand out for their large sizes and terraces completely immersed in greenery.

Minimal design architecture with carefully selected materials and finishes to provide the highest quality.

The residential context offers prestigious housing solutions characterized by triple exposure, with attached private gardens on the ground floors and terraces on the upper floors, which create continuity between the internal and external living space through the large windows.

The most advanced plant technologies and high-quality finishes enrich and complete a project that places the utmost attention and care on every single architectural detail, in addition to the selection of latest-generation materials that guarantee the elegance and refinement of a stately and contemporary environment.

The quality of the specifications allows the housing solutions to create pleasant and comfortable environments.
