Logistics for Rent in Bergamo

Rent | Ref. SE96646 | PRICE: € 62.000

12.000 sq.m

Warehouse for rent near the municipality of Bergamo (BG)
Logistics warehouse of 11,000 sq. m. with loading bays and offices

We offer for rent a large warehouse for logistics use, located in the immediate vicinity of the municipality of Bergamo, in a strategically convenient area with respect to the main roads, which facilitate access and distribution of goods. The property is characterized by a total surface area of approximately 11,000 square meters, with an internal height of approximately 10 meters, which allows optimal management of spaces and logistics operations.
The warehouse is equipped with numerous loading bays, perfect for facilitating the loading and unloading of goods quickly and efficiently. There is also a well-distributed office area, which allows administrative and operational activities to be managed in a separate and functional environment.
The external area of relevance offers ample space for the maneuvering of vehicles and parking, ensuring an optimal flow of goods handling operations.
This solution represents an ideal opportunity for companies that require large, safe and well-connected spaces, capable of meeting the most complex logistical needs.

The experience gained over the years allows SOGIM Logistics Division to be positioned as an active part of this sector, offering cutting-

edge solutions that are able to meet the multiple needs of the market.
The Logistics Division was born with the aim of marketing the main buildings for logistics use present in Milan, the hinterland and northern Italy through an intense and consolidated relationship with other operators, investors and builders.
The logistics division team has as its ultimate goal the complete satisfaction of the end users of the sector, guaranteeing a support of high technical-commercial knowledge in all contractual phases of the sale.
