**186 sq.m****Workshop for sale in Albese con Cassano (CO)**Artisan workshop of approximately 186 square meters in Albese con Cassano

We offer for sale in the municipality of Albese con Cassano, in a purely industrial area strategic for the main communication routes such as the SP639 which leads to Como and the Swiss border, as well as a few kilometers from the SS36 which connects Lecco with Milan, an artisan workshop consisting of an open space with a total surface area of 186 m² and a height of 4.40 m, in addition to services on the floor and an accessory room of approximately 19.5 m² and a height of 2.55 m used as an archive.

The property has a pedestrian entrance at the front and a door with a width of approximately 3 m at the rear, accessible from the external area belonging to the property and shared with other units with an automated driveway.

The property features an electrical system dating back to the time of its construction and is in good condition, making it ideal for small to medium-sized businesses.

Option to purchase two apartments in the same building for an additional price, consisting of two three-room apartments with garages on the ground floor and first floor respectively.

Contact the office for more information and to schedule a visit.
