APARTMENT FOR SALE IN THE ISOLA AREA - MILAN
VIA VALTELLINA ADJACENT

Just steps from the Isola area, in one of Milan's liveliest and most sought-after neighborhoods, we offer for sale an approximately 80 sq m apartment in a period building.

This property has been completely redesigned with quality finishes and an extraordinary attention to detail.

On the ground floor, with a private entrance from the courtyard, it offers a fluid and versatile layout: a living area with kitchen, and a bedroom with en suite bathroom. The 4.10 m ceilings are a real eye-catcher: a large mezzanine level already exists in the living area, with additional space to create more according to your needs.

The materials make the difference: "Biondo" oak parquet in every room (including the bathrooms), light wood doors, double-glazed PVC windows, underfloor heating and split air conditioning.

The subway is less than 500 meters away. The rest of the city is within easy reach.

Parking space available for rent in the courtyard of the building.
