Three-room apartment for sale in Milan

In Milan, near Piazzale Corvetto and Corso Lodi, in an area well served by the Metro and surface public transport, we offer for sale a spacious and bright 72 sq m apartment, located on the seventh floor of a building with an elevator.

The apartment currently consists of a two-room apartment with a hallway leading to the living room, eat-in kitchen, and a spacious bedroom. It also has a bathroom with a bathtub and shower. This can be converted into a three-room apartment with a living room and open-plan kitchen, two bedrooms, and a bathroom.

All rooms have access to the balcony, featuring a panoramic view of the city.

Property Features

- armored door;
- wooden window frames with double glazing;
- parquet flooring in the living room and ceramic flooring in the other rooms;
- wall-mounted split air conditioning in the living room and bedroom;
- central heating.

The high floor, combined with the presence of the balcony and the exposure, helps ensure a particular brightness to the rooms.

The property includes an attic space located on the ninth floor.

The property is located in the Corvetto neighborhood, in the southeast of Milan, in a predominantly residential area characterized by

buildings of various ages and construction types. The area offers a good range of essential services, including shops, supermarkets, pharmacies, neighborhood businesses, a post office, schools, and public parking. Its location is particularly convenient for access to the rest of the city, thanks to its proximity to the "Corvetto" stop on the M3 Metro line, which provides quick access to the center of Milan and the main subway lines.

The area is also served by several surface public transportation lines, including lines 77, 84, 93, and 95, and benefits from its proximity to the Milan Rogoredo train station, a major rail and public transportation hub. The location also provides easy access to the main road links to the ring road and the motorway network.

Overall, the property is located in an area characterized by good accessibility, both by public transport and private roads, and by a good provision of services, making it particularly functional for the housing needs of everyday life.
