ATTIC FOR SALE - PIAZZALE LODI AD.ZE Milan (MI) - Via Brembo ATTIC TO BE RENOVATED In a period Milanese building, we offer for sale a charming attic of approximately 15 square meters, plus an attic space, completely in need of renovation. It is ideal for those looking to create a small, custom-designed space or consider a real estate investment. Thanks to its compact size and typical attic features, the solution is ideal for redevelopment and enhancement, creating a functional and contemporary space. The building's historical context and charm are further appealing to those seeking a unique solution in Milan's real estate market. Extraordinary work is underway to redo the roof and install the elevator. Ideal for investors and those looking for a small property to customize and enhance. The images and renderings are for illustrative purposes only and do not constitute a contractual element.
